Where do I live	
My story and why I need a sponsor.	I stay with my parents and they're poor. We have no land. My parents rent a small room where we sleep and stay. They also grow food in other people's lands for us to eat at home. I have three brothers but because of the poor state of income, studying on our side is difficult. When one is studying others stay home due to lack of school fees. All of us can't go at school at once our parents can't afford the fees. I love studying so much and I pray to God to give me a good Samaritan to help me in my studies. The one who was helping me died in 2019, kindly help me in my education so as to become successful in future. I wish in future to also help someone in need when I'm successful.
