Where do I live	
My story and why I need a sponsor.	Greetings to you in the Lord's name, My name is Prossy, In September this year I'll be making 14 yrs. I stay with my single mother together with all my siblings. Our father abandoned us. I was told that he ran from the family when I was three years old. My mother is a peasant farmer. She grows food on a very small scale just for the family to survive on. At one I thought of going to work as a maid so as to get some little money because that's what they get and plan to pay for myself fees but people refused me because I looked to be young. I thank God that Christ Aid has given me an opportunity to come and study as we pray to get a God parent to help me in my studies. We're poor and unable to get money to pay for fees. Thank you so much as you choose to take me up as your child and help me in my Education. More of God's amazing grace upon you.
