Where do I live	
My story and why I need a sponsor.	I greet you my dear, my name is Albert. I stay with my single mother. I have one sister and one brother. My mother used to do small scale farming for us to earn a living. But now she has a strange disease which has failed to heal. We now try to grow but on a very small scale because my mother has pain all over her body she can't do much work. The pain is too much. My future is in the hands of God because mum can't manage to pay for my fees. I pray to get a good Samaritan to help me.
