Where do I live	
My story and why I need a sponsor.	Lucky stays with his single mother. His father died in an accident. He fell in a pit latrine and died from there. Lucky's mother is H.i.v positive with so many skin defections which has made her fail to get a job like in a hotel as a waitress because she tried it but people never liked her services. She's even weak to do other jobs which require high energy. She was born with the virus were happy the boy doesn't have it. Kindly help this boy achieve his studies by paying for him school fees because his mother cannot manage at all. Blessings.
