<b>My story and why I need a sponsor.</b>	<p>God is good, all the time and the time God is good. I first of all thank God for the gift of life he has given us. My name is Juliet I stay with my single mother. Our father ran from the family and abandoned us because our mother developed an unknown disease. She has some strange things developing inside her body. She has received so many surgeries/ operations but they still develop and they are very painful. We have prayed and prayed and now waiting for God's healing miracle. Now that she's not working, I get problems of failing to pay fees at school. May God touch your heart kindly and choose me to be your child to support in Education. God bless you.</p>
