We will be rolling down the tracks with a high-speed program to bring you up to date on what is new with the ministry. There will be awesome pictures and short live interviews with people who have had their lives transformed by ChristAid in Uganda. You will hear and see some things that will surprise you!

Our fundraising goal for the evening will be to fund the remaining Teacher Housing project, which we began last year to provide homes for our two Headmasters. Our regular teachers are currently living in shockingly sub-standard conditions in remote areas far from our schools, making their personal lives very difficult and complicated. Please help us to attack this problem, which will then allow us to attract the finest teachers and to treat them well.

PLEASE JOIN US ON OCTOBER 6TH FOR OUR BANQUET!
